Programme Evaluation Report

DLG: Other Programme: Gifted Education for the 2016/17 School Year

Programme Title	Objective	Target (No. / Level / Selection)	Duration / Start Date	Deliverable	Evaluation	Expenditure
Chinese Language Debating Skills Training Workshop 訓練學生辯論工作	To enhance the debating and public speaking skills of students gifted in debate by providing pull-out programme offered by qualified and experienced tutors provided lessons.	17 S3-S5 Students with gifted in debate and public speaking	14 lessons between Oct '16 – Mar '17	Students acquired useful skills for debate and public speaking.	Students enjoyed and found the workshop useful. The school will continue to offer this workshop next year to prepare students for the Friendly Debate in Chinese to be held in May.	\$36,200
Chinese Literature Creative Writing Workshop 拔尖創意寫作坊	To enhance the writing skills of students gifted in writing and Chinese Literature by providing pull-out programme offered by qualified and experienced tutors provided lessons.	23 S3-S4 Students gifted in writing and Chi Lit.	8 lessons between Oct '16 – Mar '17	Students acquired useful skills creative writing. An album of students' work was published and distributed to visitors at the 90 th Anniversary Open Day.	Students enjoyed and found the workshop useful. They also took pride in their published work. The school will continue to offer this workshop next year.	
English Debating and Public Speaking Programme	To challenge and enrich higher achievers and students gifted in debating by subsidizing fees for	20 S4-S6 Students gifted	Year round	Student participated in a good number of inter-school debates	Students were provided suitable challenges in inter-school competitions. They	\$7,308

	registration, enrolment and logistics for participation in courses and competitions of.	in debating and public speaking		and achieved outstanding results and positions.	also learnt to polish their speeches from experience and exposure to students from other schools.	
English Drama Appreciation Programme	To enrich the experience of students gifted in drama and English Literature by subsidizing fees for the purchase of tickets for drama productions performed by professional groups in public venues, and payment for school-based drama workshops and performances by professionals.	30 S4-S5 Students gifted in drama and Eng Lit.	June 2017	Students attended the performance Learned Ladies of Mid-levels performed by Shadow Players in the Fringe Club.	Students enjoyed the performance and were inspired by the professional players. In order to include S6 students, the activity may have to be held in the First Term if there are suitable performances.	
SciArtistic Investigations in Molecular Gastronomy	To challenge and enhance the critical thinking and creativity of students gifted in Science by providing a workshop in molecular gastronomy offered by Dr. Benny Ng*.	22 S4-S5 Students gifted in Biology and Chemistry	Half day Workshop in April	Students created dishes through molecular gastronomy and exhibited the dished at the 90th Anniversary Open Day.	Participants enjoyed the process, gained a better understanding of the concepts and mastered the skills of molecular gastronomy. Workshops of a similar nature will be arranged next year.	\$11,769
Leadership Training Workshop	To prepare S4 students for taking up positions of responsibility in S5 by providing a workshop on the traits and skills of leaders.	110 S4 Students with leadership	Half day workshop in June (PEA)	Students developed a better understanding of their strengths	Students enjoyed the workshop and agreed that the workshop facilitated a better understanding of	\$10,000

		potential		through questionnaire, experiential exercise and debriefing.	their strengths and weakness in taking up leadership roles. However, the school may have to consider having the workshop at another time since most students have other commitments during the PEA period.	
Gifted Programmes for elite students offered by educational institutions	To extend and enrich the learning opportunities of elite students from different KLAs by subsidizing fees for courses and competitions provided by educational institutions recognized by the EDB.	S4-S6 Elite students with high academic achievement	Year round	Subsidy was provided for students who completed the first programmes and who achieved excellent results in the second:	Students were eager to participate in the programmes promoted by the school and appreciated the subsidy provided. Similar arrangements will be made in the coming year to enrich and extend the learning of students.	\$6,150
		3		CUHK Summer Institute		
		18		Secondary School Mathematics and Science Competition		
					Total:	\$71,427
