Dear Parents,

**Re: Hong Kong Certificate of Education Examination (HKCEE) 2007 Practice Papers**

We wish to inform you that this is the first year that standards-referenced reporting will be adopted for the HKCE Chinese Language and English Language examinations. In order to further familiarize students and teachers with the new format of these exams, the Hong Kong Examinations and Assessment Authority (HKEAA) has prepared practice papers for schools to use either for internal exam/mock exam or class practice. The practice papers will be delivered to all schools participating in this scheme on the same day, as in public exams.

In order to prepare our students better for the new format of the exam, we have decided to use the above practice papers for our Mock Exam. Since the HKEAA will charge a fee for the printing of these papers, each student will have to pay $40 for a set of practice papers. Students who are eligible for Examination Fee Remission (EFR) are exempted from this payment.

Please acknowledge the contents of this letter by completing the attached reply slip and return this together with a cheque payable to **Marymount Secondary School** for the appropriate amount by 6th November, 2006 (Monday).

Yours truly,

Ms. Veronica Ma
Principal
